We commit ourselves to fulfilling our shared mission of creating lasting peace on Earth through our ways of living and acting.

Intention to Live and Act on Behalf of all Life

We intend to live and act so as to enhance the quality of life and the well-being of all forms of life on the planet, recognizing that all living things in all their diversity are interconnected and are one.

Freeing the Human Spirit for Deep Creativity

We will continually strive to free the human spirit for deep creativity, and to nurture the transformation necessary to forge a new paradigm in all spheres of human activity, including economics, science, medicine, politics, business, education, religion, the arts, communications and the media.

Mission to Advance a Harmonious Human Civilization

We shall make it our mission to design, communicate and implement a more spiritual and harmonious civilization—a civilization that enables humankind to realize its inherent potential and advance to the next stage of its material, spiritual, and cultural evolution.
